"Not having sought the great honor you confer, as you have justly stated, I am the more prompt in saying that, as citizen and Republican, I shall not shrink from the duty you impose.

The Committee appointed by the recent

dent of the United States.

The Committee appointed by the recent Republican National Convention at Minneapolis to formally notify Mr. Reid of his nomination for Vice-President arrived in the city this morning from Washington.

The Committee, like that which notified President Harrison yesterday of his renomination, was originally composed of delegates of the National Convention from each State and Territory and numbered about one hundred. When it left for Ophir Farm, Mr. Reid's country residence, this morning, however, the number had dwindled to seventeen. Twelve of these came on from Washington this morning with Gov. McKinley, of Ohio,

"There will be a more convenient opportunity for such expression of political convention, it may say at once that I accept and adopt them in full.

"AN ELECTION DODGE."

Canadian View of President Harrison's Retaliation Message.

Toxonto, Out., June 21.—A special from Ottawa to the Mail says:

"The general opinion here of the news which comes from Washington of President Harrison's message recommending to Congress retaliation against Canada because of 'persistent denial of the rights of American Citizens in the navigation of Canadian canada is that the move is simply an election dodge."
